To use the IRBNet system, you must first setup a profile by going to…

http://www.irbnet.org

- Click the "New User Registration Link" at the top right hand portion of the screen.
- You will be asked for your name and to create a username and password for your profile.
- Read and accept the user agreement
- You will now be asked to associate your profile with a Research Institution. **IMPORTANT: You must select Baylor University, Waco, TX from the list.**
- Provide your phone number and Baylor email address.
- Finally, you will complete the registration process by reviewing your information and clicking the "register" button. A registration email will be sent to you and you must click on the link in the registration email to confirm your registration.
